UTC – ENTRANCE PREPARATION

Universal Thought Consult – UTC

www.utc.com.np

About UTC

Universal Thought Consult, previously named as Universal Teach Consult has been operating within the academic industry since 2009. Universal Thought Consult (UTC) has been known as an entrance preparation center that has an added service of abroad counseling and a training center. UTC is especially favored in the market for its facility towards preparation for entrance but rather than only having a profit motive, UTC eminently works as a career partner to the associated students Universal Thought Consult is an institution that invests in a student with an immense knowledge to cater their radical mind and energy towards a positive platform. UTC organizes its every module of services in such a way that the student results to be a skilled, potential and capable individual rather than being only an academic superior. UTC evaluates its success on the growth of each individual.

Why UTC?

We Place top priority in helping you achieve your career desires and aspirations. We have many years of experience counselling and assisting students and can empathize with students in overcoming their needs, concerns and challenges. Start your career with us.
